

2019 HOME MANAGEMENT CALENDAR

Hi friend!

Congrats on getting this calendar to keep your home a beautiful, organized place.

My name is Jessica Wangelin and I'm a wife, mom of two, and owner of several small businesses.

Once my husband and I bought our home, it was overwhelming to think about all the projects we had to do, all the cleaning, and all the maintenance. Let alone cook, work, clean, and even have fun in our new space!

I created some simple lists that I did each season to help us stay on top of all the tasks we have to do both inside and outside our home. Adapt the tasks for your own home and share your pictures with your progress online with #DecorAdventures. I love to see what you are up to!

Sincerely,

- Jessica
